PROPERTY DESCRIPTION

An exceptional 5 bedroom multi-level home located on a very quiet cul-de-sac. You can enjoy wildlife out the back door or on the octagonal deck, plus no neighbors in the wooded backyard. A large tiled entrance welcomes you to an open floor plan. The living room has a bow window and a vaulted ceiling. You can enjoy and be a part of what is happening in the family room from the openness between the family room and the kitchen and dining area. The spacious kitchen has lots of cabinets, plus a large island with a granite counter top and a 8 x 11 breakfast nook. Also on the main level is an office and a formal dining room for your entertaining. The family room has a gas fireplace with built in cabinets/shelves surrounding it. There is a large laundry room with cabinets and sink. The upper level has 3 bedrooms plus 2 full bathrooms. The master bedroom suite has a seating area, master bath with a double vanity, corner whirlpool tub, shower and a walk in closet. The second family room is in the lowest level along with 2 bedrooms, a full bath and a storage area all with daylight windows. Check out the unique storage area in this family room. The oversized garage has room for lots of storage
